

International Conference on Advances in Mechanical Processing and Design – 2019 (ICAMPD-2019) is drafted as a global forum for sharing, discussing and improving the latest innovative research on facilitating aspects of Mechanical Engineering.

ICAMPD-2019 widens the scope of bringing together innovators, researchers and industries under common goal – creating, evaluating, implementing and benefiting from innovations. It will thus support innovative projects and bring benefits to all involved participants. Participants from universities, institutes, associations, companies, consultancies, etc. are invited. ICAMPD-2019 aims to be one of the most influential channel transferring innovative ideas from academia to industry thereby these ideas may start to generate consultancy, projects and collaborations.

ICAMPD-2019 Tech-Expo is for participants from academia, R&D organizations and industries to exhibit their potential through posters and model/prototype designed by them (if any), highlighting their innovation in the field of mechanical engineering. Innovations which may have potential for filing patents will be identified and will be

The Conference and Tech-Expo includes the following Topics :

- T1: Mechanical system Design
- T2: Thermal and Fluid System Design
- T3: Materials and Manufacturing Processes
- T4: Industrial Engineering

Publications

All successfully reviewed and accepted papers presented at ICAMPD-2019 will be published in Springer, Scopus indexed "lecture notes in Mechanical Engineering"/ "IoP-Journal of Physics Conference series"/"Elsavier - Materials Today Proceedings"(SCOPUS Indexed). Best posters from TechExpo will also get a chance to publish full paper in Scopus indexed proceedings.

About KIIT & KISS

KIIT Deemed to be University is among India's most sought-after universities. With a diverse student body of 30,000 representing all States of India and 50 foreign countries, it has built its reputation as the most student-friendly university anchored on the principles of Compassion and Humanity. It was founded in 1992-93 with a seed capital of only Rs. 5000 by eminent educationist and social activist Prof. Achyuta Samanta. Since then KIIT has grown exponentially, setting a high benchmark in each area of education. The Ministry of HRD, Govt. of India has declared KIIT as an 'Institution of Eminence'. With this, it has joined the select league of 10 public and 10 private universities which would be developed as world-class institutions. It is the only self financing university in the Eastern India to be ranked by the Times Higher Education (THE) World University Rankings 2019 and QS BRICS World University Rankings.

Bhubaneswar "Temple City of India"

With the architectural legacy of the Kalinga dynasty, Bhubaneswar boasts up with hundreds of tem-

ples including Lingaraj, Mukteswar, Raja Rani, Brahmeswar, Vital etc. dating from 6th-13th century AD. Apart from remarkably sculped temples, the Jain caves of Khandagiri and Udayagiri, Nadankanan Zoological park, the peace pagoda 'Dhauri' on the bank of river Daya attract visitors from all over the world. Puri, Konark along with capital city of Bhubaneswar form the three vertices of Golden Triangle of Odisha tourism circuit.
